

We Need Your Help!

The Colorado River Headwaters Trout Unlimited chapter is having its first annual banquet. With a little help from everyone we can make this a very entertaining event and raise a few dollars to help us in our efforts to protect the waters in our area.

We are asking that you contact friends and associates to ask for silent auction items for the banquet as well as ask people to attend the event. See the attached list of marketing suggestions for details.

The Granby Trout Festival is taking place the same weekend as the banquet and it should prove to be a great combination! Mark your calendars for June 23rd and June 24th.

Marketing Suggestions for Trout Unlimited Dinner - Silent and Live Auction Items

-Contact those individuals and businesses you are comfortable contacting.

-A donation can certainly be something they already own and no longer have a use for (fly rods, artwork, camping gear, bikes, sporting equipment). Of course it should be in fairly decent condition. As the saying goes “one man’s trash is another man’s treasure”.

-Try to think of those individuals businesses that you have supported in the past, they will probably be more likely to support you (TU).

-Remember when selling TU to your customers, we are all about preserving the environment, water quality, recreation, etc....for generations to come. One of our prime goals is to “Save the Fraser River”. And this is a TAX DEDUCTIBLE DONATION.

-Other potential ideas for donating to the auction:

- gift certificates
- trips
- a day of fishing on private water
- flies
- books
- wine, beer, etc....
- tickets to sporting events

What to do with Donated Items:

1. Fill out the Silent Auction Donation Form and return it to the PO Box on the form, along with the item if can be mailed easily (certificates, promissory items)
2. Items may also be dropped off at “The Winter Park Optical Shop” if it is something that is not easily put in the mail.

Invite everyone to attend the event, fisherman or not it will be fun!
